Many of these animal hats are adaptations of the TP covers. I am an experienced crocheter, but don't seem to do well writing my own patterns or changing others, so was very pleased to see the covers turned into hats. These are seriously cute and easy and fast. Last night I started and completed the bear. Linda writes the patterns clearly, the book is well laid out with good general instructions. You can't go wrong!0 of 0 people found the following review helpful. Great bookBy Wag D'TailVery much a beginner at crochet and wanted to make some cool hats for grandkids.
