Five Stars By maggieo I want to knit the giraffe for my granddaughter

This adorable collection of 10 knitted creatures, each with specially designed outfits is sure to be a hit with the little people in your life. Amigurumi is a Japanese technique that describes knitting or crocheting small creatures, personalizing them with human features and stuffing them to give a three-dimensional shape. From a martial arts-loving giraffe and crime-stopping superhero monkey, to a mouse dressed in her Sunday best ready to grace any glamorous tea party, theres a character suitable to make to match every childs personality.
