SO cuteBy MiaEasy to follow patterns and all really cute it will keep you busy0 of 0 people found the following review helpful. another five star book by Ana Paula RimoliBy BrigitmomI love love love Ana Paula Rimoli's patterns. All of them. I can't get enough of them. They make the most adorable little animals, and you can always find someone to give them to. The directions are clear and simple. The toys are outstanding. Very highly recommended!4 of 4 people found the following review helpful. Love This Book!By Artsy1515I had purchased Ana Rimoli's first Amigurumi book to learn how to crochet and loved it, then when her second book came out I bought it as well. She explains the directions very well on how to create these cute little items. I have looked at many other crochet books and the directions haven't been as good yet more confusing. This Amigurumi book has cute ideas that make great gifts. I can't wait until she comes out with another book. The only item I have made from this book so far is the Large Fish which turned out really cute. Looking forward to making more items from this book. I would highly recommend this book to anyone who currently knows how to crochet or is a beginner wanting to learn.

With quirky faces and out-of-proportion body parts, these wildly creative and imaginative toys are irresistible! Crochet a comical tool set that includes a hammer with a funny face! Or create sweet bunnies and teddy bears wearing pajamas

and each carrying their own little bunny or teddy bear. Choose from over 25 fun and funny designs, including a crib mobile and stroller toys especially for BabyJoin the Amigurumi craze with this follow-up to the enormously popular Amigurumi World Learn how in just minutes--most projects require only single crochet and a few basic finishing techniques

Amigurumi Two! by Ana Paula Rimoli is a follow-up to Rimoli's Amigurumi World. Popularized by Japanese girls, amigurumi is the craft of crocheting tiny, adorable toys. Projects include a airplane, a bird mobile, a teddy bear in a hot-air balloon, a momma turtle, her eggs, and the babies that hatch from them, fish, squirrels, tigers, robots, bumble bees, peas in a pod, mushrooms that look uncannily similar to Super Mario 1-Ups, a tea set, cookies, and more. -- Knitting Book Roundup by Alyse Wax About the Author Ana Paula Rimoli was born in Montevideo, Uruguay, and learned to crochet as a child. She began crocheting toys when her own children were born and now hosts her own popular website featuring her crocheted designs. The toy collection is growing and growing, slowly taking over the whole house!
