I don't think it would be suitable to a reader who hasn't read any of the Elm Creek books. But it does give a good insight into the characters, makes you think more about them as real people. Not a book you would read from cover to cover, but instead pick it up and use as a reference to the book you are currently reading. Would recommend it if you already know some of the characters Jennifer has

written about. 9 of 9 people found the following review helpful. Tons of info

There were so many things that I had forgotten from the other books so it was nice to have this companion to remember all of the details. Makes me want to go back and read the series again.

If you have read the Elm Creek series, this book ties it all together. I am very happy with this purchase. It makes me want to reread all the books.

A beautiful keepsake volume to accompany the beloved New York Times bestselling series  
Over the course of the bestselling Elm Creek Quilts series, readers have expressed a longing to visit Elm Creek Manor, meet the quilters themselves, and admire their beautiful creations. Jennifer Chiaverini's *An Elm Creek Quilts Companion* is the next best thing to a guided tour. Inside, readers will discover a treasure trove of delights, including the Bergstrom family tree, character biographies, quilt block illustrations, full-color photographs of quilts featured in the novels, and *Behind the Scenes at Elm Creek Quilt Camp*, an exclusive short story inspired by questions from real readers. No Elm Creek Quilts fan will want to be without this indispensable guide to the cherished series.

Praise for Jennifer Chiaverini and the Elm Creek Quilts series  
Chiaverini's themes of love, loss, and healing will resonate with many, and her characters' stories are inspiring. Publishers Weekly  
Chiaverini has an impressive ability to bring a time and place alive. *Romantic Times Book*  
sEmotionally compelling. *Chicago Tribune* on *Sonoma Rose*  
Jennifer Chiaverini has made quite a name for herself with her bestselling Elm Creek Quilts series. From the Civil War to the Roaring Twenties to contemporary settings, these novels have offered suspense, romance, and, at times, in-depth looks into the social, political, and cultural differences that helped shape a nation. *BookPage*  
Chiaverini excels at weaving stories and at character development. We can relate to the residents of Elm Creek Valley because they remind us of folks we know—a cousin, an aunt, or a grandmother. *Standard-Examiner (Utah)*
