Dover : Full-Color Art Nouveau Stained Glass Designs CD-ROM and Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Full-Color Art Nouveau Stained Glass Designs CD-ROM and Book:

114 sparkling stained glass designs captured in the Art Nouveau style. Gorgeous designs, most created by the noted German artist Arnold Lyongrn, display marvelous creatures of land, sea, and air; graceful female figures; and other delightful configurations. Handsomely reproduced in pastel tones, the organic, curvilinear designs dramatically capture the Art Nouveau style dominant at the turn of the century. As a source for inspiration or direct use, this handsome collection of authentic period motifs will be a splendid addition to any designer's studio or craftperson's

workshop.
