Good for crafts By Luna Soliel Not all are good for decoupage (for my crafts anyway), but you may find more than I did. They're nice labels and I'd recommend them if you're into using old time labels in your crafts. 0 of 0 people found the following review helpful. Five Stars By Kindle Customer Very good

Impeccable reproductions of illustrations that once decorated cigar boxes and luggage; fruit and vegetable crates; boxes of chocolates; bottles of wine, beer, and spirits; and other products are now available for a variety of uses. Commercial artists, designers, decoupeurs, and other hobbyists will find these images ideal for thousands of projects.

Collectors and nostalgia fans will treasure the simple beauty of the set.
