Brenda Porteous : Fun Dough: Over 100 Salt Dough Projects for All the Family before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fun Dough: Over 100 Salt Dough Projects for All the Family:

1 of 1 people found the following review helpful. Great little book By Cheryl A Tilles I bought this book, not knowing what to expect. It didn't provide the handy dandy feature of "taking a peek inside," before purchasing it and no one had reviewed it, yet. It is full of really clever and fun salt dough creations. It is exactly what I was looking for and is the best of all my salt dough craft books. Five stars and two thumbs up!

Instructions for over 100 projects for figures and plaques made by using dough made from salt, flour and water.
