**Petra Kaiser : Fuse It - 18 Fused Glass Projects** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fuse It - 18 Fused Glass Projects:

0 of 0 people found the following review helpful. Five StarsBy Beth SullivanLove this book. Great projects1 of 1 people found the following review helpful. Fuse-ItBy R. M. RiechelOwned Petra's other book on glass fusing and found FUSE-IT to be the perfect companion book to expand our understanding of glass fusing, slumping, and draping since we are new to "glassers".Especially appreciated the table with firing conditions for 8 of the main processes so we now better understand where to begin in setting up our process steps depending upon the glass used and end results desired.The information on KaiserLee Board got us to make more use of this item yielding "kool" results.Even contacted Petra for some specific answers and she was prompt and very chearfully detailed in her answers.I would recommend both of her books for anyone new to glass fusing, slumping, and or drapping.0 of 0 people found the following review helpful. Five StarsBy RCExactly what I was looking for

OUT OF STOCK - 'Fuse It' from Wardell Publications Fused Art Glass reintroduces Petra Kaiser, author of the popular book, Introduction To Glass Fusing, presents Fuse It, a continuing journey in kiln worked glass. Fuse It presents a portfolio of creative projects designed to guide crafters to the next level in glass fusing. A quick review of glass and equipment is followed by a comprehensive look at the vast array of fresh kiln forming possibilities that have triggered a creative leap. Then embark on a journey of exploration by working through the lessons and project ideas that are sure to stimulate novice to advanced fusers alike. Fuse It introduces new ways to utilize the bonanza of glass forming methods and materials through 18 lessons with names such as Wear It, jewelry, Display It, holders, Hang It, mirrors ornaments, Screw It, clocks sculptures, Drop It, vases, Zen It, fountain, Rake It, hot combing, Sell It, marketing your work, plus 10 more. Fuse It will be a valuable resource for fusers of all skill levels with a desire to progress to the next step. More than 300 color photos offer a wealth of instruction and inspiring ideas for distinctive kiln formed creations.
