Barbara Campbell, Yolanda Fundora : Fuse It and Be Done: Finish Projects Faster Using Fusible Products

before purchasing it in order to gage whether or not it would be worth my time, and all praised Fuse It and Be Done: Finish Projects Faster Using Fusible Products:

1 of 3 people found the following review helpful. Sorry.By pegitestVery juvenial. I had to through it away because there was nothing in it that I didn't know. I didn't even watch the cd after I looked at the book.8 of 8 people found the following review helpful. Fuse, baby, fuse!By M. A. ButlerI just got this book - speed crafting just got faster with this bible of no-fuss, fusible fun! Authors Barbara Campbell and Yolanda Fundora offer lots of clever and creative ideas, as they did in their previous book, (which I also love), "Holiday Quilts."Rev up your irons and follow along as these two sizzling chicks lead you through a couple of dozen hot projects, including quilty home dec items, art wallhangings, totes, even a tea cozy and paper dolls! Kids can have fun fusing the doll's clothing with a little adult

assistance. And let me tell you, fusing is the ONLY way I'll ever do broderie perse, and their charming pillow is a perfect example. There are even 3-D projects, and a fused clock! What fun!The book came with its own CD of patterns.So pardon me while I turn up the heat - I'm gonna go fuse, baby, fuse!

This basic primer for using any and all things fusible covers the gamut of products available today, and melds the boundaries between various crafting communities by empowering you with skills to mix and match various mediums and techniques. This project-oriented book features 12+ items to create, using fusible web with applique, fusible threads and ribbons for embellishing, fusible fleece for stabilizing, fusible bias tape for stained glass work, fusible batting, fusible grid for mosaic and watercolor design.

About the AuthorBarbara Campbell designs custom art quilts for homes and offices in addition to those published in magazines and books. Yolanda Fundora is a highly experienced product and textile designer. She has created many best-selling concepts and design collections and has licensed her work for a broad range of commercial products.
