Good product By Sandboxkids Easy to use and place to record everything. I attach photos of before and after for my records of experimental kiln runs.

These Fusing Log Sheets - companion to 'Joy of Fusing' book come in a familiar writing pad style with convenient tear off pages. Each log page is pre-printed (in 2 colors) with easy to use check boxes for the most common types and styles of fuse firings. There is a space to describe the glass components in the project and another to make a simple sketch. Two blank firing schedule tables are set-up in a format that is invaluable when it s time to program the digital

controller. Then a conclusion and observation area is available for comments and suggestions that to help make decisions when planning similar projects in the future.
