Nice bookBy CustomerGood historic information for pate de verre8 of 8 people found the following review helpful. Argy-Rousseau Well VisitedBy LushanThis book by Janine Bloch-Dermant has managed to succesfully capture the spirit of a very talented 20th century artist. By focusing on the whole person, and including details of his other talents, his business practice, his method and personal anecdotes, we not only get a clear understanding of his work, but are also inspired by his vision. As a book, this work is thoroughly researched and well compiled, including a Catalogue Raisonne', and details of the master's technique in pate de verre.This book is a must read for lovers of glass art as well as anyone interested in pate de verre
