I did get it quick, but only learned 2 new things from it. It was helpful but price was right high for a 20 page book. Gel Candles 101 book2 of 2 people found the following review helpful. Not much information! By Joan Ryberg This book was not what I expected. It doesn't give a lot of information and was very vague with what it did give. It took a long time to receive it and I was very disappointed when I did.

Using gel to make candles is quick, easy and the results are spectacular!
