Sheila Sinclair Snyder : Get Addicted to Free-Motion Quilting: Go from Simple to Sensational with Sheila Sinclair Snyder before purchasing it in order to gauge whether or not it would be worth my time, and all praised Get Addicted to Free-Motion Quilting: Go from Simple to Sensational with Sheila Sinclair Snyder:

21 of 21 people found the following review helpful. Worst Book On Free Motion Quilting By KHands down this is the worst book on free motion quilting i've ever seen. she doesn't give any directions on how to stitch out the designs. you get a line drawing with no arrows showing the direction to move - you have to figure it out yourself. she doesn't give you any full size designs the entire design is about 3 by 5 inches so you can't even practice the motion by writing over the designs. total waste of my time and money. i sent it back and will never buy anything from this author again. 4 of 4 people found the following review helpful. Good beginner's guide By aquiltinb The designs aren't overly unique, but Snyder does a really good job of showing the individual movements within each design, making it extra easy to train

your muscle memory. I like the way she takes a basic motif and ratchets up the complexity a couple times to create more complex designs. And she covers a good range of styles, from flowery to masculine. Definitely a worthwhile addition to my collection. 4 of 4 people found the following review helpful. Not what I expected. By Bonita E. Blake Good resource book, but can't say I found it all that helpful. I've been doing free motion now for more than 2 years and guess I was looking for some new ideas. Can't say I actually found any..

Give your quilts the fancy finish they deserve with more than 60 lively continuous-line quilting designs from quilting pro Sheila Sinclair Snyder. Learn to stitch free-form spirals, feathers, flowers, bubbles, leaves, cables, and much more. Sheila shows you how to combine individual motifs into fluid designs for quilting blocks, borders, sashing, and all over the quilt. All designs work equally well on home sewing machines, mid-arm, and long-arm quilting machines, or for hand quilting. Try each motif in three versions: simple, more involved, and fabulously over the top! Includes bonus quilt project that's perfect for practicing new quilting designs.
