Get Back to Nature is an adult coloring book inspired by the Hocking Hills of Ohio. It has 20 hand drawn mini posters for the colorist to enjoy. You don't have to ever have been to the Hocking Hills to enjoy coloring these pages as they are inspired by a love of nature and the great outdoors. They are printed on one side for easy removal and display. This is Volume 1 and Volume 2 will soon be released. Enjoy!

About the Author Terri Baker used to be a graphic designer before she became an at-home-mom. Her three children are

grown and leading successful lives of their own so she returned to her creative roots. She chose to write two guidebooks about an area that is near and dear to her heart the Hocking Hills of Ohio. The Best Kept Secrets of the Hocking Hills is a print edition and Hocking Hills Highlights is a Kindle EGuidebook. She wrote both guidebooks based on her extensive knowledge of the area and was able to use personal photos she has taken of the area in both guidebooks. Her third book Get Back to Nature is the most creative of all. It is an adult coloring book inspired by the Hocking Hills. It has 20 hand drawn mini posters inspired by mother nature and the Hocking Hills. Volume 1 was hardly completed when she discovered she had enough additional pages to create Volume 2. Many other coloring books are planned for the future. Terri has seven years of formal art training. Her mother had her in oil painting classes at the age of 10 where she learned to draw and paint. She took two years of Commercial Art training at a career center for her last two years of high school. She worked for a year as a Jr. Designer she then went on to graduate with a BFA as a graphic designer from Ohio University in Athens, Ohio. You could definitely say that creativity is her passion and her strongest God given talent. Terri will continue to create new projects for the public to enjoy because she isnt happy unless she is creating something.
