cool. I think to make one soon. When I saw this book I feel lucky because I will need these recipes in the future. This book taught me different cookie recipes that are very delicious and very cheap. These are truly quick, easy, and personal gift making. I am excited to give gifts to my love ones using what I learned in this book. I recommend this book to all who wants to make an easy gift but very good output.0 of 0 people found the following review helpful. Print the recipe card on the computer, add a cute top cover and you are ready to go. Most of us have the ingredients on hand so no problem.0 of 0 people found the following review helpful. Many good ideas and recipes for giftsBy debkdThe labeling and jar decoration ideas are excellent and easy to do. The recipes are practical and would be decorative in jars. The only things I would have liked to see would be photos and a list of the cookie recipes in the table of contents.
