Cheap Gift Ideas By Customer Out of the 365 gift ideas in this book, there are honestly only three that I consider worth making, and which I wouldn't be embarrassed to give to someone. I think this book would be better if it were geared for children, as the gift ideas are really very simple. 0 of 0 people found the following review helpful. Great, practical book!!! By Jennifer R. Killmer This book is full of amazing ideas on creative ways to make gifts that are heart-felt. I can't wait to get started!

Gift projects for every day of the year. Spectacular gift ideas appeal to crafters and noncrafters alike. Gifts range from simple ideas that require little effort or skill to craft projects that involve techniques explained in the instructions. Includes elegant gift-wrapping techniques that add to presentation. Projects list skill level and materials needed.
