rjan Westerlund : Gin: History, Manufacture, and Enjoyment before purchasing it in order to gage whether or not it would be worth my time, and all praised Gin: History, Manufacture, and Enjoyment:

Gin takes the reader on a captivating and truly absorbing journey through the universe of this spirit and its evolution throughout the ages, from the first juniper-flavored medicines distilled in the Low Countries in the seventeenth-century to its recent revival as a fashionable drink and a popular ingredient for cocktails. It tells gin lovers everything they need to know about the flavorful spirits origins, ingredients and infusions, the distillation process, and, of course, the tasting. Which ingredients contribute to its unique flavor? What are the most notable distilleries and brands? What are the most popular, and the most original styles of gin? And, last but not least, how to enjoy gin at its best. It features brands from the United Kingdom, Spain, Sweden, France and other European countries, as well as gins produced in

the United States. Cocktail recipes, from the inevitable gin and tonic to more recent creations, invite us to rediscover gin. Swedish alcohol expert rjan Westerlund has received many awards for his books, which have represented Sweden in international competitions such as the Paris World Cookbook Fair. He is cherished for his humorous and informative style of writing which appeals to beginners and aficionados alike. In this book he shares his passion for, and knowledge about gin. Also available: Whiskey, ISBN 978-3-8480-0408-9
