Alastair Duncan, Georges De Bartha : Glass by Galle before purchasing it in order to gage whether or not it would be worth my time, and all praised Glass by Galle:

0 of 2 people found the following review helpful. A wonder full book as usual from this writerBy Jose L. CordeuI bought this book one year ago at half the price I payed for this copy. At this same time copies of this book are sold for \$900, So besides enyoing its contet including pictures of this collectible book I am buying it as an investment. Jose

Discusses Emile Galle's designs for glass vases, bowls, and lamps and describes the techniques used by the artist in making glassware
