Boyce Lundstrom : Glass Casting and Moldmaking (Glass Fusing, Book 3) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Glass Casting and Moldmaking (Glass Fusing, Book 3):

By Boyce Lundstrom Boyce Lundstrom's third book in his series focuses on pate de verre, lost wax casting, and crucible casting. Along the way, Lundstrom demonstrates that there is endless potential for development of additional kiln forming glass processes. 143 Pages; Softcover Published in 1989
