**Donald Albrecht : Glass + Glamour: Steuben's Modern Moment, 1930-1960** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Glass + Glamour: Steuben's Modern Moment, 1930-1960:

A companion to a major centenary exhibition at the Museum of the City of New York showcases the acclaimed glassmaker's most noteworthy and sophisticated creations from the 1930s to the 1960s, in a photographic collection of bowls, stemware, and engraved pieces complemented by vintage photography and archive ephemera. Original.

About the Author Donald Albrecht is an exhibitions curator at the Smithsonian's Cooper-Hewitt Museum.
