Carole Lazarus, Jennifer Berman : Glorafilia: The Ultimate Needlepoint Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised Glorafilia: The Ultimate Needlepoint Collection:

4 of 4 people found the following review helpful. Glorafilia: The Ultimate Needlepoint CollectionBy Nancy MorseBoy, is it ever!This is a traditional book in the sense that in past times there have been gloriously beautiful photographs - not drawings - of the needlecraft traditionally done. These pictures contain many, not just one pillow here and there. This is a goldmine of traditional needlepoint exquisitely executed. A treasure and also with excellent advice!Nancy Morse0 of 0 people found the following review helpful. Lots of ProjectsBy Gerry P MangneyA lovely book full of (mostly) traditional designs for making a variety of projects. Many subjects are covered, from tartans to sports, from children's subjects to flowers, from cushions to rugs, from pictures to vests, etc.. One should certainly be able to get some ideas here.0 of 0 people found the following review helpful. ExcellentBy Magdalena S.I think it is a

new book!What a nice one!. I would recomend it to my best friend absolutely!

First North American Edition. Pages clean and unmarked. Slight wear from time on shelf like you would see on a major chain. Immediate shipping.
