Green It's a good idea and I am using them to teach my kids about the armor but the belt is inaccurate. The Roman belt had pieces hanging down to protect vulnerable parts... Important not to forget especially with its spiritual implications. I had my kids draw the 5 straps (reminding us of the 5 ministry gifts) on the breastplate under where the belt would go across as though they are connected, though, so you can make it work. 0 of 0 people found the following review helpful. Teach about the armor of God with these shiny, illustrated stickers. The breastplate of righteousness, the belt of truth, the shield of faith, and more make fun crafts for boys and girls as they stick them on their own drawing or photograph. Largest sticker is approx. 1" x 2". Six sheets, 9 stickers per sheet; 54 stickers per package.
