Not much new for recipes but the craft ideas look good By _Customer Not much new for recipes, and I love to collect and try new holiday recipes, so I've sent the book back to due to the lack of new recipes. To be fair I have plenty of cookbooks to choose from so it's getting more difficult to find something new. There are some creative and crafty gift ideas you can make, if you like crafting. The book is good for crafts and not so much for cooking. Recommend with caveats given. 0 of 0 people found the following review helpful. Four Stars By jc cook Yummy! 0 of 0 people found the following review helpful. Love these books! By Marsha L. Roth I have all the Christmas books now and many, many of the other cookbooks! I have so many that the bookshelf

is full! But I will be passing some of these along to my daughter soon...too many to keep here! She is a wonderful cook and a new mother so will find most of the recipes easy to prepare...Then someday, she will have them all if she wants them. I love the Gooseberry Patch cookbooks and illustrations in them, The hints, ideas, and recipes are wonderful. Have not tried one yet that has not been good!
