I purchased this book rather than others thinking it would have instructions for joint mechanisms. I've read books on making sculptured dolls that had more helpful information than this book. The best thing about the book is the various doll head ideas which are the only part that is made with gourds.1 of 1 people found the following review helpful. What fun!By AnnC2WriteQuirky, whimsical dolls and puppets are an inspiration to creativity. Shows

how to use gourds as the heads for dolls, marionette puppets, wire figures, and even bobble heads. Not only demonstrates gourd preparation but ideas for facial expression and hair.

These projects join two age-old skills: gourding and sewing. With simple techniques, you can combine gourds with a cloth body to make dolls or puppets to enjoy or give as gifts. \nIn this Do-It-Yourself guide, youll learn how to make:  
\n- a gourd ragdoll \n- reversible dolls \n- marionettes \n- even bobble gourdheads!\n- And much, much more
