Inspirational Quilting IdeasBy Queen BeeSome great ideas, and visuals...definitely will help me step outside my box!0 of 0 people found the following review helpful. Looks like the creative process on steroidsBy NancyNCCan't wait to try this technique! Looks like the creative process on steroids :)2 of 2 people found the following review helpful. Not worth the moneyBy CustomerI ordered this book from Karlee. The quality of the book is really good but the contents are lacking the 'meat'. You will learn more from any 'Zentangle for quilting' google search which this looks exactly like.
