Martha Stewart Living Magazine : Great American Wreaths: The Best of Martha Stewart Living before purchasing it in order to gage whether or not it would be worth my time, and all praised Great American Wreaths: The Best of Martha Stewart Living:

0 of 0 people found the following review helpful. The book is beautiful and the featured wreaths are beautifulBy CustomerThe book is beautiful and the featured wreaths are beautiful, but like many things involving Martha Stewart these projects aren't for the faint of heart. These projects are detailed and time consuming and for those who believe in well crafted handmade projects this is the book for them. If nothing else it provides a solid springboard for people who need a little help coming up with ideas. Buy it and make something. You'll feel accomplished and won't be disappointed.1 of 1 people found the following review helpful. I like MarthaBy priscilla bordenI was happy to find this book on and especially loved the price. However, I wasn't real pleased with the contents of the book, while I will enjoy it, I did expect a little more. As usual delivered my item a lot quicker than I expected considering the holidays.0 of 0

people found the following review helpful. It's nice but I may make only a couple. By rose Lots of ideas, many of different wreaths but some I won't attempt.

Both a how-to craft book and a decorating guide, Wreaths offers 51 projects for delightful wreaths--complete with step-by-step instructions--honoring the 50 states and the District of Columbia. Designed for use throughout the year, these wreaths are made from materials inspired by their locations: i.e. an oak leaf and acorn wreath as a homage to the nation's capital; cranberries for Massachusetts; and golden wheat to symbolize Oklahoma. Full color.

From the Inside Flap Both a how-to craft book and a decorating guide, Wreaths offers 51 projects for delightful wreaths--complete with step-by-step instructions--honoring the 50 states and the District of Columbia. Designed for use throughout the year, these wreaths are made from materials inspired by their locations: i.e. an oak leaf and acorn wreath as a homage to the nation's capital; cranberries for Massachusetts; and golden wheat to symbolize Oklahoma.
