Nick Robinson : Halloween Origami (Dover Origami Papercraft) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Halloween Origami (Dover Origami Papercraft):

0 of 0 people found the following review helpful. origamiBy Pamela Jones I love every book that I have purchased by Nick Robinson. I always find something interesting for myself and for young students just starting to learn origami

With its host of haunting creatures, this festive compilation of original models will add spice to any paperfolder's holiday. More than twenty projects, illustrated with photos and two-color diagrams, range from easy to fiendishly challenging. Fold a couple of black cats for your Halloween decorations, and make company for them in the forms of a bat, ghost, and vampire. You'll find witches galore among these figures, as well as a cauldron and a tombstone,

fearsome fangs and a grasping hand, and other creepy but fun seasonal motifs.
