Better Homes and Gardens Books : Halloween Pumpkins Parties: 101 Spooktacular Ideas (Better Homes Gardens) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Halloween Pumpkins Parties: 101 Spooktacular Ideas (Better Homes Gardens):

0 of 0 people found the following review helpful. halloween book By Elizabeth Lee Ponsonby we just love halloween and we like this book cause it has some very cool things to make and we like to add different things each year. plus it is a very fun way to get the whole family involved and have some fun and grow stronger. thanks 1 of 1 people found the following review helpful. Cute variety of ideas, but no need to buy the book By Laura There are a cute variety of ideas, but really, you don't need to buy the book, since all of the ideas are hosted on Better Homes Gardens website, [...]. There are pumpkin ideas (lots of different creative ones, including the ultra-cute Cinderella's Carriage), party/serving decorations, food, costumes, and other crafts. Great pictures, easy instructions, but again, you can find everything on their website, so buying the book is a bit superfluous. 4 of 4 people found the following review helpful. Something New By Jessica Harvey This book actually had some nice ideas that I haven't thought of. Great pictures of every project and the directions were easy to follow. It's not too often I come across a book that has something new. I am pleased that I purchased it.

Half of this book features Halloween celebrations and entertaining, while the rest highlights creativity with pumpkins. All-new ideas for both crafters and noncrafters. One-of-a-kind Halloween how-to with detailed instructions, patterns, and recipes. Third in a series of highly successful Halloween books from Better Homes and Gardens.
