Martha Stewart : Halloween: The Best of Martha Stewart Living before purchasing it in order to gage whether or not it would be worth my time, and all praised Halloween: The Best of Martha Stewart Living:

1 of 1 people found the following review helpful. Five Stars By Sandy C. Martha is a wonderfully creative artist, and here she has put together another Halloween jewel. 1 of 1 people found the following review helpful. Nice pics, not so great instructions By Mubfsw I love this book. Mainly for the pictures. The instructions seem a little vague but for the most part, you can probably figure things out from the pictures. The pictures do take up probably 75% of the book. I guess this might be better for people who are looking for nice pictures of the Halloween season. 0 of 0 people found the following review helpful. Beautiful book! By Customer Beautiful book! I wish the spine wasn't broken and torn on the bottom. I would have ordered it somewhere else if I knew... I wish the seller warned me in the discription. Other than that, the book is beautiful!

Halloween is rivaled only by Christmas when it comes to the holidays that generate the most interest for Martha Stewart Living's readers. Halloween is a compendium of the best Halloween ideas published in the magazine over the last decade. To help celebrate this ghoulish holiday, the editors of Martha Stewart Living bring us Halloween, a compilation of all the best tricks and treats of the spooky season. Organized in two sections, Halloween makes this holiday so much fun its scary. In Tricking, pranksters will find all manner of pumpkin carving, eerie lighting, and makeup and decorating ideas. Treating provides the recipes for having a Halloween feast or a hanted-house party and

ideas for making mischief with kids.

.com Halloween books abound, but none is as elegantly spooky or as eerily opulent as this gorgeous guide from Martha Stewart Living. Set the scene for the ultimate Halloween party with a magical yard full of pumpkins glowing with vibrant geometrics and sparkling with Christmas lights. Welcome guests with shadow lanterns flickering with bats and haunted windows. Strew the house with chiffon ghosts and fill the air with haunting sounds. Then host a pumpkin-carving feast, a crafty party, or a ghoulish supper, and whip up eyeball highballs, croaked messieurs, and spider-web sundaes. And don't forget the creepy makeup: follow along as willing victims transform into a skeleton, mummy, and several other creatures (Martha herself becomes an astonishing black widow). Excellent directions, full recipes, beautiful photographs, and an extremely detailed source list should inspire anyone to celebrate All Hallows' Eve with style. --Amy Handy
