Chalkfulloflove, Paige Tate Select : Hand Lettering 101: An Introduction to the Art of Creative Lettering

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hand Lettering 101: An Introduction to the Art of Creative Lettering:

720 of 748 people found the following review helpful. Beautiful, but ...By Glory I. Torres I first would like to say that I do not disrespect the artist/author of the book, I think her artwork is great and I even preordered the book as soon as it was listed. This book is gorgeous and practical. Her one style of faux calligraphy is very pretty and the examples are very clear. BUT, there is only one style of "cursive" hand lettering demonstrated and three block letter or print examples. BUT, the blank pages.... About 45% of the book is blank pages, not to mention all the white space. It makes for a very clean look on a book but it feels like they could have printed a booklet and told you to buy a realm of paper for practice instead. Even with the printed guidelines for practice the amount of blank pages is excessive. Pages 96-110 are ENTIRELY BLANK but for the page number, and so is almost half of the book. It is introductory so it is strictly for beginners. The cover is very hard and the wire bound feature is very nice for practicing. If you use the pages for writing you don't need an extra notebook. 53 of 55 people found the following review helpful. This book is beautiful! I agree with some of the previous posts ...By Lezlie J. This book is beautiful! I agree with some of the previous posts that there ARE a lot of empty pages but I like that because I never seem to have a book and paper in the same place. And, there is an additional pdf packet available with extra things like combining letters that is super useful

as well. It is really good for beginners. 2 of 2 people found the following review helpful. This is fun. Reminds me of writing cursive but much more ...By Shirley Cunningham This is fun. Reminds me of writing cursive but much more elegant.

UPDATE: We added Sarah's additional content in our latest print run! If you follow Chalkfulloflove (also known as Sarah!) on social media, you and thousands of others already know how adorable her hand-lettered creations are. With Hand Lettering 101, Sarah brings her fabulous Hand Lettering 101 workshop right to you with this beginner workbook! In this book, you will go over the basics on how to learn Sarah's fun style of faux calligraphy. This book will guide you through each letter of the lower case alphabet, go over her technique behind connecting letters, give tips on how to mix and match your fonts, and finally lead you to make six finished projects! This is an introduction, so no experience is needed! Since practice is key, this gold spiral bound workbook lays flat and provides tons of opportunities for practice! Chalkfulloflove was created to encourage, inspire and make you giggle, so just pour yourself a cup of coffee or a glass of wine and settle in to start your own unique, adorable lettering creations! Hand Lettering 101: An Introduction to the Art of Creative Lettering Hardcover, oversized gold wire-o binding and gold corner protectors Step by step instructions on how to create various fonts and designs Thick premium paper, perfect for lettering Beautiful coffee table book and practical workbook

About the Author Sarah is a Jesus-loving, Instagram-ing, wine-drinking semi-hoarder who loves anyone who can make her laugh. A day in her life looks like taking a crazy number of photos, dancing in the garage while packaging up orders, and cuddling with her pups. She is the sassy lady behind Chalkfulloflove, a hand-lettered goods shop started in 2013, and the founder of The Creative Counsel Conference. She went to school for graphic design and is a self-taught hand letterer and shop owner. Everything she creates is hand lettered by her in Austin, Texas. You can find more about her and her work at chalkfulloflove.com.
