From Brand: Martingale and Company : Handcrafted Garden Accents: Projects for Outdoor Living before purchasing it in order to gage whether or not it would be worth my time, and all praised Handcrafted Garden Accents: Projects for Outdoor Living:

Perk up your porch, your patio, and your garden beds with this collection of easy-to-make garden art. Most projects take only a few hours or less to complete! Eighteen projects include a miniature greenhouse, stepping-stones, a patio lantern, and a wildflower wreath Learn simple techniques for decorative painting, wire bending, and metalwork Give your entire garden a fresh look or bring a touch of the outdoors inside to enjoy

About the Author About the Designers Handcrafted Garden Accents includes projects from several well-known

designers, including Dawn Anderson. Dawn also compiled and designed projects for the popular titles *Handcrafted Frames*, *A Handcrafted Christmas*, and the bestseller *Creepy Crafty Halloween*.
