Hege Barnholt : Handmade Scandinavian Christmas: Everything You Need for a Simple Homemade Christmas before purchasing it in order to gauge whether or not it would be worth my time, and all praised Handmade Scandinavian Christmas: Everything You Need for a Simple Homemade Christmas:

5 of 5 people found the following review helpful. wonderful book By Subamom very authentic, very beautiful projects. love this book and will add to my collection as a favorite. have already used several ideas, makes the house look natural, traditional and brings back great memories. 1 of 1 people found the following review helpful. Handmade Scandinavian Christmas By Ginny Mapes Handmade Scandinavian Christmas: Everything You Need for a Simple Homemade Christmas by Hege Barnholt brings the reader many wonderful ideas for celebrating. Most of the crafts are easy to do with your children. Simple, inspiring ways to get outdoors, collect materials to work with. Includes making

winter food for birds. A wonderful addition to your Christmas craft collection of go-to books. 1 of 1 people found the following review helpful. Beautiful Inspiration By Bama Mom There are a lot of really easy things to do with your kids. There are some things that I probably won't make, but I still enjoyed the photos and the ideas. It's a lovely book that really inspires you to make some simple things for Christmas that involve lots of family time. I like that.

Be the envy of your friends this year by personalising your Christmas with a trendy hygge look! Create beautiful tree decorations, delicious festive treats and even learn to wrap your presents creatively. You'll bring out this book year after year to create different looks for your home! The gift ideas included in the book are really simple but so effective, and they all have a timeless Scandinavian style. There's a great selection of handy knitted accessories, including phone cases, toiletry bags, potholders, scarves, hats, and even an adorable business card holder. There are also some tasty presents, with sweet and savoury recipes like crunchy crispbread, Christmas muesli, marzipan hearts and chocolate truffles. Plus, you'll learn how to wrap your presents beautifully using different colours and handmade embellishments for your tags, boxes, bags and wrapping paper. There are over 120 projects and each is beautiful, yet achievable. Easy-to-follow instructions are accompanied by stunning photographs and full size templates to help you to create the perfect hygge-inspired Christmas!
