Somewhat disappointing By Malmom I had hoped for more photographs of garden-to-table floral work. Commentary dominated the book. Also, the quality of the paper was inferior. Green or not, glossy paper

enhances the look of floral arrangements. 5 of 5 people found the following review helpful. Gorgeous, helpful and so much fun! By AAny This book completely changed my perspective on floral arrangements. I went from just seeing flowers as something you buy at the super market to seeing the complete work of art that they are. Ingrid does a good job at creating stunning pieces of art but also easy for everyone to re-produce! I love that there are so many different styles in this book too. If you're looking for a therapeutic activity to do on a Sunday or something to do at your next girls night-- this book is for you! Trust me, your friends will be so impressed at your arrangements! Bonus-- this looks AWESOME on a coffee table. Gorgeous flowers, helpful explanations, and a great addition to the interior design of your home, WINNING!

Brooklyn-based florist Ingrid Carozzi reveals her secrets for creating flower arrangements that are modern, original, and organic in style. Organized by season, the book presents simple step-by-step instruction (how to measure, cut, and place each bloom) for making more than 35 arrangements. Whether you want to learn how to work with chicken wire and tape to create a simple framework or try your hand at arranging delicate and oversized blooms, Carozzi offers a detailed tutorial on her tricks of the trade. Readers are encouraged to source, make, or upcycle unexpected containers, such as rough-hewn wooden crates or vintage pots, jars, and vases. Full of natural floral compositions that marry the modern with the rustic, *Handpicked* is a lushly photographed, practical guide to creating your own exceptional flower arrangements at home.

**About the Author** Ingrid Carozzi is one of New York's most sought-after florists and the owner of the acclaimed Tin Can Studios in Red Hook, Brooklyn. Her work has been covered in publications such as *Vogue*, *Martha Stewart Weddings*, *Design\*Sponge*, *The Knot*, and more.
