**Kristen Birkeland, Heidi Fassmann : Have a Very Merry Tole-Painted Christmas** before purchasing it in order to gage whether or not it would be worth my time, and all praised Have a Very Merry Tole-Painted Christmas:

4 of 4 people found the following review helpful. Great book - and hardcover tooBy CustomerDidn't realize this was hardcover so was very pleasantly surprised. Has some great patterns with easy-to-follow instructions. It's a good book for getting beginning painters inspired and for experienced painters to do something simply fun like when you first started out. The copyright is 2002 but the projects are still current and the designs can be easily modified to suit you.0 of 0 people found the following review helpful. It was disappointingBy No NameI was a little disappointed but everyones taste doesn't run the same. It was ok and I may paint from it.

Leading tole-painters from the Society of Decorative Painters show how to create your own versions of treasured heirloomshand-painted items to grace any room in the home in the Christmas spirit. Illustrated instructions cover your choice of 20 projects, both functional and beautiful, featuring table and mantel decorations, dishes, and toys, including: Nativity Set, Christmas Clock, Santa Nutcracker, Santa and Toys, Peace on Earth Angel Plate, and a

Christmas Container.
