Adren J. Bird, Steven Goldsberry, Josephine Puninani Kanekoa Bird : Hawaiian Flower Lei Making (Kolowalu Books (Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hawaiian Flower Lei Making (Kolowalu Books (Paperback)):

In all fairness, I think it probably was a great book but when I wrote the reason for my return ... I indicated it was the more affordable book of the 2 I purchased (3 X's more). I found out today that it was the more expensive book. Lei of Aloha was the more affordable pick with nicer illustrations.0 of 0 people found the following review helpful. Five StarsBy L. "How to" is so so.Pictures could have been shot better to understand more.

Lei Making with Hawaiian Flowers

"The explicit how-to instructions will be appreciated by any who would learn details on lei making: photos are clear, steps are thoroughly explained, and lei making is revealed from its simplest designs through the more complex blossom choices and lei skills."
