**Donald-Brian Johnson, Leslie A. Pina : Higgins: Adventures in Glass (Schiffer Book for Collectors)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Higgins: Adventures in Glass (Schiffer Book for Collectors):

1 of 1 people found the following review helpful. Much better reading than than a "guideBy Ann OnymnusColorful, large format, all of the information I was looking for about changes in signatures, what studio was open when, which designs were made when, etc. This doesnt depict every design Higgins made, but is very interesting and useable. Much better reading than than a "guide."0 of 0 people found the following review helpful. Christmas GiftBy Katherine C. SnuggsA Christmas gift for my sister-in-law's mother. I only ordered what she wanted. It arrived on the twenty first , fantastic.0 of 0 people found the following review helpful. LOVELY GLASSBy Shirley TomaenoI PURCHASED THIS BOOK AS A GIFT FOR SOMEONE THAT IS A COLLECTOR OF HIGGINS GLASS AND THEY WERE JUST THRILLED TO RECEIVE IT.

Pioneers in fused studio and production glass since the 1940s, Michael and Frances Higgins continue to create some of today's most collectible glass objects. *Higgins: Adventures in Glass* chronicles their careers and accomplishments in the studio, at Dearborn Glass Company and at Haeger Potteries. A must-have for glass collectors and 1950s/1960s fans alike, this new book features 645 full-color photos, company catalog, vintage advertising, interviews with the artists and price guide. The Higgins' "modern miracles with everyday glass" will appeal to all with an interest in mid-20th century design and collectibles.

About the Author Donald-Brian Johnson (text) is the grandson of Dearborn Glass Company founder, Herman R. Paulick, Sr. Leslie Pi a (photos) has a Ph.D in American Studies and heads the Interior Design department at Ursuline College in Cleveland, Ohio. Her husband Ram[n] assists with the photography.
