I got this book to help me see what I could do with the gourds. I found the book VERY helpful. I followed the pictures and was able to create a christmas snowman gourd that my friends did not ask me if my young grandchildren made. I was able to follow the pictures and create some very nice gourds that are good enough to give as gifts. I was even able to create some on my own. Thanks 0 of 0 people found the following review helpful. Five Stars By glorian kalthoff 5 star. thank you 0 of 0 people found the following review helpful. Five Stars By Kelley Reameslove
