Matthew Mead : Holiday with Matthew Mead before purchasing it in order to gage whether or not it would be worth my time, and all praised Holiday with Matthew Mead:

I still have it, as resources like Mead are too special to cast off into the oblivion of the recycle bin! Mead's abundant warmth, comraderie, effervescent almost elfin thrill at making the ideal cocoon for one's home, office or apartment is so appealing the only thing I wish for is that his annual special magazines would feature MORE of him and his ideas! I understand he is providing a wide range of stylistic talents for us to consider (and doesn't everyone 'decorate' even a little bit during the many holidays from September through December?) but when it boils down, it is Mead's delightful (and sometimes unexpected) contributions that I most enjoy. Just skimming through any Mead issue is like a little oasis from everyday life. Not

exactly armchair decorating, what Mead does is not merely "decoarting," his idea about 'home' and our spaces is closer to living, not filling up empty spaces. 1 of 1 people found the following review helpful. Great holiday idea book By Sue Davies Matthew Mead never disappoints. His Holiday book is brimming with great ideas that won't break the bank. I especially like seeing the articles from some of my favorite bloggers. It makes me realize that normal every day people just like me can have wonderful creative ideas to share and how many wonderful talented women (and men) there are out there. This will be added to my collection of favorite Christmas books that I go back to year after year for new ideas and inspiration. 3 of 3 people found the following review helpful. Anticipation of Christmas Delight! By HAPPYAs always, Mathew Mead inspires you to try something different for Christmas. For me, even crafting can be done in time and making the season more delightful and happy. Always love his easy recipes as well. These days when the world seems to be bitter and angry reading such wonderful inspirations from Mathew and family makes the days more happy with anticipation of the holidays.

Style guru Matthew Mead makes the holidays simple and spectacular with creative ideas for handmade crafts, unique gifts, elegant decorations, and scrumptious edibles. From the best food bloggers' Christmas cookies to bargain seasonal home make-overs to exquisite (easy) paper crafts, no corner of the home, and no aspect of the festivities is left untouched by Mead's special brand of holiday magic. In addition, HOLIDAY WITH MATTHEW MEAD includes contributions from star bloggers Stephanie Nielson (The NieNie Dialogues), Pioneer Woman, Trisha Foley, and other notable names in food, crafting and style. HOLIDAY by Matthew Mead brings a fresh, new look, taste, and feel to timeless traditions.
