From New Seasons : Home Cookin' Personalized Recipe Keeper before purchasing it in order to gage whether or not it would be worth my time, and all praised Home Cookin' Personalized Recipe Keeper:

2 of 2 people found the following review helpful. A little bit of everything in one handy bookBy KV1968I love the multiple functions of this book. It is a scrapbook with pages you can customize and add photos of either the food, or the loved one that made the dish along with the recipe. It also has recipe cards and extra sheets of paper that can be used to make your own pages and clear inserts to put them in. It has these handy folders in the back for those recipes you might find in a magazine and cut out and need to store somewhere. You can order extra pages of everything which is great.0 of 0 people found the following review helpful. Bought for a giftBy Sandy M. BryantI bought this as a gift for a friend who was getting married. I hand wrote several of my recipes and organized them in the book. There is a good selection of scrapbook type pages and stickers. I only wish that there was a way to order just the recipe cards that came with it. I ran out of cards before I ran out of recipes to put in the book. The full size scrapbook recipe pages are nice because they have a space to put a photo of the completed dish. Plus, there is a lot of space for writing out instructions or hints and tips for preparing the dish.0 of 0 people found the following review helpful. the book is great with lots of stickers and ways to personalize itBy NICOLE Nthe book is great with lots of stickers and ways to

personalize it. The only down side is that the back cover was bent in shipping.

Keep Grandma's pie crust recipe along with other cherished family recipes, in the Home Cookin Recipe Binder and Scrapbook. Inside, display and preserve instructions to favorite heirloom meals. With the included protectors, hold on to recipes as well as your memories and hand them down for generations to come. A great gift for wedding showers and housewarming parties!
