The page with the most words has 40 words in small print. Has a small list of what is needed ex... Ingredients Fresh and Clean 2T lavender 2 lemon 2T rosemary directions cold air diffuser. That's it! Misleading title on front, with easy follow step-by-step ...wow ...I could have wrote that myself with google and I wish I had ! It really has 18 empty pages, making it a very expensive note pad. I was looking for a nice book to pass on to kids and grandkids, as I have other nice written books about crafts. **THIS WAS NOT IT** .1 of 1 people found the following review helpful. *Two Stars* By Kindle Customer no real instructions for beginners 0 of 1 people found the following review helpful. **THRIFTY PERSONS CANDLES!!** By Charlotte Candles can be found in every room of my home. How proud he was when I used the information found in this book to start creating my own **CHEAPER** blocks of wax (candles)! Thanks to the *Homemade Scented Candles* book I am now experimenting with and creating my own candle scents and it's actually becoming a hobby. The candles make great gifts! The book is worth its money!
