Megan Smith : Homemade Suntan Lotion Recipes: Make Your Own Suntan Lotion at Home before purchasing it in order to gage whether or not it would be worth my time, and all praised Homemade Suntan Lotion Recipes: Make Your Own Suntan Lotion at Home:

1 of 1 people found the following review helpful. great stuff!By donnaSome of the ingredients need to be bought from a science store or some craft store I think but other than that the recipes are easy to make. Just put the ingredients

together and you're already good to go. I love the smell of the sunscreen lotion and it is very light on the skin. This was a great addition to my soap making books. :)

When you spend a lot of time outside, you need to protect your skin from harmful UVA and UVB rays. Unfortunately, most commercial suntan lotions are loaded with chemical ingredients which can also harm your skin. So what is the solution? Making your own homemade suntan lotions. In this book you will receive the following: An introduction to homemade suntan lotions A collection of homemade suntan lotion recipes A collection of homemade self-tanner recipes By the time you finish this book you will be fully equipped to start making your own suntan lotion at home. So what are you waiting for? Get started!
