This is a great coffee table book for us!0 of 0 people found the following review helpful. Just lovely!By FJI bought this book after finding sea glass on the island of Bermuda last summer. I'm obsessed with the hobby now, and the pictures in this book take me back to those awesome hours of sifting through the sand to find these glass treasures. I'm buying another copy for my Mom for this Mother's Day, because it was a wonderful experience we were fortunate enough to share together. Thank you for such awe-inspiring photographs, Josie!Sea Glass Hearts0 of 0 people found the following review helpful. Sea Glass HeartsBy Caryn AmanI've given this book as a gift and have, of course, my own copy. Having collected "heart" rocks for years and brought them home as treasures, it was delightful to see her presentation! Beautiful book!

Josie Iselin, the author of Abrams popular Heart Stones, turns to sea glass hearts for a companion volume that promises to be just as appealing. Beachcombers the world over treasure sea glassthe shards of broken glass that are tumbled by the waves into smooth, pebblelike forms. They know which colors are common (green and brown) and which are unusual (black, yellow, red, and, especially, orange) and they can often identify the age and origin of a specimen. On rare occasions, sea glass takes the shape of a heart, the universal symbol of love. In Sea Glass Hearts,

Iselin assembles an inspiring collection of these precious objects that are free for the taking if you are lucky enough to find them!

About the Author Josie Iselin is the author of Abrams Beach Stones, Leaves Pods, Seashells, and Heart Stones, as well as Beach: A Book of Treasure. An artist who uses a flatbed scanner to create sculptural two-dimensional designs with three-dimensional objects, Iselin is especially drawn to the ocean shore. Before becoming a bookmaker, she was a photographer and installation artist exhibiting throughout the Bay Area and teaching at the California College of Arts and Crafts (CCA). She lives in San Francisco.
