Your student benefits from this Spelling Homework Journal in several ways. *First, after their teacher delivers their weekly spelling assignment through spelling city or whatever mode (for the upcoming spelling test) students will have a designated place to practice writing (journaling) their spelling words each week; *Parents can easily keep track of their child's progress, and they will have a permanent record of their assignments and what they've learned throughout

the year. *The 320 page Journal includes blank sheets on which the student can practice writing their spelling words daily. *Each week of school is numbered and includes sheets enough for the student to write their spelling words 4 consecutive days a week. *Additionally, this journal includes a fun activity on each page that your child will look forward to completing. The activity is designed to build anticipation of the next day's practice session. *This Journal is available for grades 1 through 7.
