Reid Kirby : Selling Chemical Warfare: CWS Posters 1918 - 1945 before purchasing it in order to gage whether or not it would be worth my time, and all praised Selling Chemical Warfare: CWS Posters 1918 - 1945:

0 of 0 people found the following review helpful. Historical postersBy day tripperInteresting fo history buffs but I expected more. Maybe selling chemical warfare was not that easy (and it should not be).

Posters of the United States Army Chemical Warfare Service (CWS) are examined from 1918 to 1945. Using a selection of 32 posters the emotional appeal of fear and sex are used to motivate manufacturing, quality, training, and care of equipment. These posters reflect the cultural heritage of the CWS, and were an important part of chemical security during two world wars.
