**Esther Davis : Sensational Dried Flowers: Arrangements So Beautiful They Look Fresh** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sensational Dried Flowers: Arrangements So Beautiful They Look Fresh:

0 of 0 people found the following review helpful. If you want just one book on dried flowers this should be it.By JanicezA really excellent book with extensive information about how to dry flowers in several different ways. Detailed instructions on how to store flowers and what problems to watch out for. There are also excellent sections on how to

make a wreath from scratch, how to create a wide variety of stunning displays with detailed instructions for each. The book is packed with instructive diagrams and well composed photographs of floral displays. If you want just one book on drying flowers this would be the one to pick.0 of 0 people found the following review helpful. What a great Deal!By Cindy FinkGreat book, Great price. The book was in perfect shape and full of great ideas on floral design for dried flowers.0 of 0 people found the following review helpful. Beautiful illustrations and easy to understand instructions.By A CustomerThis is a beautiful book with wonderful how-to illustrations. The pictures and arrangement ideas are pretty and creative.
