Louise Kelly : Sew Your Own Dolls: 25 stylish dolls to make and personalize before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sew Your Own Dolls: 25 stylish dolls to make and personalize:

0 of 0 people found the following review helpful. Cute dolls-needs better instructions and techniques By super stitches Love the dolls in this book. I did actually make one of the dolls. The seam allowances are very small on some of the clothing, so if you are using a light weight cotton to make the clothing it will ravel. I recommend adding to the seam allowances. Also the doll I made did not have cutting dimensions for the dress skirt. The next doll I make I will definitely be making adjustments to the patterns and using some other techniques. 0 of 0 people found the following review helpful. Fantastic how to book! By Thomas J. Roberts Fantastic how to book! The photos and artwork are very very good. Louise makes one feel they can just jump right in and start sewing and that she is there helping us get it

done. The best book of this subject I have ever found! 0 of 0 people found the following review helpful. Five Stars

Gift - wife loved it

Follow Louise Kelly's projects to make a doll for all your friends; get creative with their outfits, hair, facial features, and accessories. In *Sew Your Own Dolls* there are girl dolls and boy dolls, casual dolls and fancy dolls, and even a doll in pajamas! There are four basic body and head shapes and infinite possibilities for making them unique. Maggie is going shopping wearing a chic navy dress coat and carrying a glitter clutch bag, Louisa is having a casual day and is dressed in jeans, a flannel shirt, and baseball shoes, and dapper Hugo is a cool sailor in a striped top with tattooed arms. There is a doll for everyone, and each one has full-size templates for the body shapes and outfits, and simple step-by-step artworks and instructions to help you on your way; the only difficult part is choosing which one to make first!

About the Author Louise Kelly is a doll maker, an obsessive felt hoarder and a dog lover. She sells her unique, completely hand-stitched dolls online through Etsy and takes commissions to design dolls based on real people. This is her first book. Find Louise's blog at loulovesthis.blogspot.co.uk or follow her on Instagram and Twitter @LouLovesThis. She is based in Derry, Northern Ireland.
