Rebecca McCallion : Sewing For Christmas before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sewing For Christmas:

0 of 0 people found the following review helpful. Not a good book. By D.N. Wow, I was really disappointed at how little this book had. The reindeer ornament I would make and maybe one other item. Sorry but I do not recommend it. 0 of 3 people found the following review helpful. Three Stars By Customer The book is interesting, but not exactly what I was looking for....

Get inspired for Christmas and brighten up your home with some beautiful festive sewing ideas. With 20 projects to sew, including templates, plan ahead and take the time to create something really special for your home or why not make a gift for a special person in your life. Sewing for Christmas will show you how to make Christmas decorations for your tree and home, together with some lovely gift ideas all simple sewing projects from novice sewer to the experienced sewer. (Rebecca McCallion)

About the Author On leaving University Rebecca started her own editing business and wrote newspaper and feature articles for various Craft magazines. In January 2014, Rebecca was hired as the commissioning editor of the new magazine Love Sewing where she has written editorial pages and commissioned projects, and designed and made many projects for the magazines. Rebecca is happy doing the 3 things in life she loves: writing, editing, and sewing. Sewing for Christmas is her first book.
