Thorough treatise on the hooking of color values to portray recognizable flowers.By Sandra FlouranceThis is a specialized book on the shading of different types of flower patterns in rug hooking. It includes color photographs of completed flowers such as roses, lilies, orchids and others. Its primary value lies in the description and diagrams to follow when hooking flowers with 6-value swatches of color. A thorough treatment for those who wish to hook different flowers as realistically as possible in hooked rugs.0 of 0 people found the following review helpful.
