Linda Valentino, Cyndi Hansen, Michele Charles, Paula Phillips : Shadowboxes for Mementos and Photos before purchasing it in order to gage whether or not it would be worth my time, and all praised Shadowboxes for Mementos and Photos:

A picture is worth a thousand words. Your memorabilia is priceless too! Shadowboxes provide a fabulous way to display your precious memories. The projects in this book will entice your eye with profound expressions created by you!

About the AuthorLinda Valentino is a teacher in New York and regularly crafts with 25 or more children. She enjoys crafting wood projects for kids and adults. She has published over 200 projects!Cyndi Hansen has been crafting all her

life. She has worked as a craft designer and as a florist. Cyndi loves designing album page ideas and projects that add flair to memory books. Michele Charles has traveled extensively throughout the US teaching creative techniques and projects. Paula is an innovative designer. She teaches classes at The Scrapbook Pad in Colleyville, Texas and is a digital designer for PurplePaperFlowers.com.
