Danielle Broden : Shampoo: The Ultimate Guide to Creating Handmade Shampoo in 30 Minutes or Less!
(Shampoo - Shampoo Making - Organic Shampoo - Homemade Shampoo - Shampoo Making for Beginners)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Shampoo: The Ultimate Guide to Creating Handmade Shampoo in 30 Minutes or Less! (Shampoo - Shampoo Making - Organic Shampoo - Homemade Shampoo - Shampoo Making for Beginners):

2 of 2 people found the following review helpful. Approximately worth the cost, which was free. By Amy Sadly, this book is terribly written. I keep my expectations low regarding free Kindle books, but this failed to meet even those levels. It kind of reads like it was written in another language and then translated through Google, and then not proofread afterwards at all. For example, "If you have flaky scalp or suffers from dandruffs..." Or this one, which notes, "The vinegar restores the pH in your hair, removes soap residue and smoothens the hair." A quick read-through would have eliminated most of these. Leaving the format aside, the content is very, very basic. I didn't learn anything new that a quick glance at no-poo hair care forums wouldn't easily convey, which seems to be all the author has done anyway.

The Ultimate Shampoo Making Guide Learn everything you need to know about making your very own natural shampoo! This book is for all the girls with curly, wavy or straight hair, for mothers who are always on-the-go, for yuppies who has a business to maintain, for a homemaker with bunch of kids and a husband to attend to and for working men. This book is for all of us who are seeking for the most effective solution to our hair problems. You will learn how you can make an extremely good homemade shampoo in less than 30 minutes! You will also find out that most of the ingredients you need can be found at the corners of your home or can be brought at a very affordable cost. Likewise you will get to know some of the misconceptions about shampoo, dandruff and our hair. By the time you finish reading this book you are going to be able to come up with your natural product that you can use whenever you want. You will also realize how diet is important to keep you hair nourished. Plus, you can share the recipes here and create your own using new raw materials. The possibilities are endless so go on and research for other ingredients to use for your shampoo. Why You Must Have This Book! In this book you will learn how to make dry shampoo, herbal shampoo and shampoo with oil essentials from scratch. This book will teach you the steps in making herbal shampoo that is good for your scalp. In this book you will learn how to properly store the homemade shampoo to avoid spoilage and allergies. This book will guide you through taking good care of your hair not only by shampooing it but also by adopting healthy lifestyle.
